Dear Mr. Mussler,

Transfer Station permit #26-09 (City of Fayetteville Transfer Station) will expire on April 24, 2007. After review of this permit, it has been determined that there are no modifications needed at this time. We would like to have a renewed permit sent to us prior to the above expiration date.

Please advise on any other written requests in order to have a permit renewed for the transfer station located at 583 Winslow Street, Fayetteville, NC 28301. If no other documentation is required, please send the renewed permit to John Pflieger at the address above. John will be replacing me in the department, so future correspondence will be sent from him.

Thank you,

Sincerely,

Josh Hammond
